## Message from the Managing Partner

In a rapidly evolving global economy, we strive to continuously enhance our capabilities, guided by a forward-looking vision for a profession of great responsibility. This profession is viewed by all governmental and private entities, as well as individuals, to instill confidence in the work we undertake and to inform investment, financial, and administrative decisions leading to maintaining the professional reputation and trust throughout the long years of our company's life.

On behalf of myself and all company employees, we extend our sincere thanks to everyone who trusted, supported, and contributed to the success of this great achievement. We look forward to continuing our journey of growth and achievement together.

Mr. Asaad Basudan

# Global Membership

To improve the quality of our services and align with international standards and advanced business practices, we have joined INPACT Global, one of the world's top 20 auditing and consulting networks.

INPACT Global has a global presence, with regional executive offices located in the United Kingdom, the United States, and Hong Kong. As reported in the 2023 International Accounting Bulletin (IAB) rankings, this network is ranked 14th among the largest professional services organizations worldwide.

The group consists of more than 140 member firms, operating through over 250 offices in more than 70 countries. INPACT Global employs approximately 4,000 professionals, along with administrative staff, and offers services in 28 languages, establishing itself as a recognized leader in the global financial services industry.

# Professional Performance Standards

Our firm consistently implements policies that ensure a high standard of professional quality. We also aim to maintain effective quality control in the following areas.

Ensuring independence between staff and clients while applying core professional principles.

Implementing effective supervision policies across all operations.

Assigning qualified and experienced personnel to each engagement.

Choosing qualified individuals for each task.

Providing consultation from trusted and credible professional sources.

Dedication to ongoing training and professional development for our team.

# Our Team

At Asaad Saleh Basudan & Co., we take pride in our team of highly qualified professionals who bring extensive experience in accounting, auditing, and financial and management consulting. Our project execution team comprises skilled professionals who combine practical experience with a deep understanding of current professional standards. Each team member is carefully selected to ensure the delivery of high-quality services that align with our clients' objectives on time and with complete professionalism.

**Mr. Asaad Saleh Basudan**  
Managing Partner

**Dr. Mohammed Reda Al-Omari**  
Senior Executive Director

**Mr. Bandar Asaad Basudan**  
Director of Government Projects

**Mr. Mohsen Abu Zeid Abbas**  
Audit Director

**Mr. Ahmed Mohamed Abdelmonem**  
Quality Control Supervisor

**Mr. Ahmed Mahmoud Saleh**  
Supervisor of the Judicial Reports and Liquidation Department

**Dr. Samir Mohamed Hassan**  
Audit Director

**Abrar Asaad Basudan**  
Supervisor of the Local Content Department

He is a Chartered Accountant, Bankruptcy Trustee, and Judicial Expert, holding a fellowship with the Saudi Organization for Chartered and Professional Accountants (SOCPA). With over 39 years of experience, he previously worked with major oil sector companies in Saudi Arabia before founding his own firm. In his practice, he offers a range of services, including accounting, auditing, zakat and tax, liquidation, estate settlements, local content, off-plan sales, and other related professional services. Additionally, he is a member of several boards and committees and serves as a trainer for various organizations.

He holds multiple advanced academic degrees and professional certifications. He manages a variety of advisory projects, including internal audit services, accounting and management consulting, company valuation, and operational development. With over 20 years of experience working with leading firms in auditing and consulting, he has a wealth of knowledge in the field.

He holds a bachelor's degree in accounting and has 14 years of experience in the banking sector. He later joined his current firm, where he now leads national transformation projects for government entities, focusing on the transition from cash to an accrual basis of accounting. Additionally, he is licensed and experienced in local content requirements and off-plan sales.

He holds a bachelor's degree in accounting and has 27 years of experience in auditing, assurance services, financial reporting, zakat, and taxation. His expertise includes multiple sectors, including contracting, trade, industry, and various service fields.

He holds a bachelor's degree in accounting and is a fellow of the Saudi Organization for Chartered and Professional Accountants (SOCPA). With extensive experience spanning 21 years in audit services, other assurance services, and financial reporting, he oversees quality control for multiple projects across diverse sectors, including real estate, construction, food and beverage, manufacturing, and service industries.

He holds a bachelor's degree in accounting and has 17 years of experience in auditing, judicial reporting, zakat, tax, and financial consulting, with particular expertise in the medical and tourism sectors.

He holds advanced academic degrees and multiple professional memberships. With 33 years of experience, he specializes in judicial reporting, financial and economic consulting, risk management, cost control, and various other business sectors.

She holds a bachelor's degree in accounting and brings more than 11 years of experience in real estate contribution liquidation, zakat services, and the implementation of local content programs.
